Sir,

Bill for extra energy supplied to
ornamental lamps in Albert Vict
Road

I have the honor to forward, herewith, for your acceptance a bill, in triplicate, amounting to Rs. extra energy supplied, from the commencement to end of the year 1918, to 24 lamps newly installed in the public street lamps, in Albert Victor Road, Mysore

It has been ordered by Government in their order No. dated the 8th September 1916 that the charges for the energy should be debited to "General Administration" also bears the cost of the Palace lighting. (A copy of the order, herewith, for ready reference. It is requested that the bill may kindly be countersigned and returned to this Office for effecting necessary adjustments in the monthly accounts of this Office.

I have the honor to

Sir,

Your most obedient servant

S. B. K. Rao
Superintendent,

Mysore power and light

Copy of a letter No. 781/C.P.S. dated the 8th September 1916 from the Secretary to the Government of Mysore, Public Works Department, to the Chief Electrical Engineer, to the Government of Mysore, Bangalore.

With reference to correspondence ending with your No. 275 dated the 20th May 1916, recommending that the usual establishment and tools and plant and supervision charges in the estimate amounting to Rs. 8427 for installing ornamental lamp posts on both sides of the street from Harding Circle to the Statue Square from Clock tower to the Fort Main Gate, Mysore, may be waived, have the honor to convey sanction of Government to the above charges being waived in this particular case.

2. Government have also decided that the extra cost on ~~an~~ account of extra consumption of power by reason of more powerful lamps being installed, viz., $(230 \times 100) - (30 \times 16.67)$ or Rs. 2,500, i.e. the difference in the cost of the power consumed, should be charged to General Administration, which also bears the cost of Palace lighting.

Memō. No. 6073
